

MORSPACE

Never get less than you deserve

Why MORSPACE?

Because nowhere else can you get comparable design, quality and features for a lower price. It's that simple....

MORSPACE offers more features than any other system for the price:

MORFlexibility: MORspace is a stackable/de-stackable frame and tile system with true off modular capabilities.

MORPower: MORspace offers 4 circuit, 8 wire electrical system, with baseline and beltline power distribution.

MORCabling: MORspace provides standards based cable pathways, with top-to-bottom cable management and optional zone distribution.

MORQuality: MORspace has load bearing steel frames, heavy gauge steel components, a Class A fire retardant rating, exceeds all ANSI/BIFMA industry standards and comes with a lifetime warranty.

MORStyle: MORspace offers 9 different tile options, radius trim, full integral drawer pull, 13 different paint finishes (including 5 metallics), 16 laminates, 10 PVC finishes, 7 foils, and 673 fabric choices.

MORService: MORspace provides free CAD support services and onsite installation support.

MORValue: We believe that no other contract furniture manufacturer can match our quality and features at our price point.
